Simplex Value Up Strategy
(USD with FX Hedge and JPY)

Simplex Asset Management

Signatory of: PRI Principles for Responsible Investment

September 2025

Strategy Overview

The Simplex Value Up Strategy seeks to achieve consistently strong absolute returns with reduced volatility, correlation, and losses. The strategy invests in Japanese companies using a friendly activist approach. It builds a diversified portfolio by investing mainly in listed stocks of small and medium-sized companies. The investment style focuses on finding companies with management willing to unlock shareholder value through operational and financial engineering. The strategy actively persuades management to implement shareholder-friendly actions, such as M&As or share buybacks, while maintaining a constructive relationship. SAM has been managing two portfolios adopting the strategy since 2006, with a total AUM of September 30th, 2025 is $1.6 billion.

Investment Team

The Strategy is managed by the investment team of Simplex Asset Management Co., Ltd. in Tokyo, Japan (SAM).

Chief Investment Officer: Hiromasa Mizushima Fund Manager: Hiroaki Eto

Performance

The performance and data presented pertain to a portfolio managed by SAM, utilizing the Strategy ("Sample Portfolio"). Performance figures for the Sample Portfolio are computed after deducting fees (Management Fee: 1.5% per annum; Incentive Fee: 20% profit participation). Please take into consideration that the Sample Portfolio has been managed under the following conditions in evaluating its performance:

Inception: November 2006 Subscription: Monthly
Offshore AUM: $1065 million Redemption: Monthly with a 90-day notice
